This free printable comes with an educational license. This means you may distribute this printable to families or educators that you work with directly via email or private file sharing software such as Google Classroom or in a tele-health setting.

You may NOT share this file in a public sharing folder or website that anyone can access. You may also not resell this product in any way.

You may not use reproduce or redistribute this file for commercial use in any way.

Heather Greutman is a Certified Occupational Therapy Assistant. This product is for educational use only. The advice and tips given are not a replacement for medical advice from a physician or pediatrician. Please consult their advice if you suspect any medical or developmental delay with your child. This book and tips do not replace the relationship between therapist and client in a one-on-one treatment session with an individualized treatment plan based on their professional evaluation. Please seek out your local Occupational Therapist for an evaluation if you suspect any delays in fine motor skills or other skills with your child.

All activities are designed to be completed with adult supervision. Please use your judgment when setting up these activities for your child and do not provide items that could pose a choking hazard for young children. Never leave a child unattended when completing any of these activities. Please also be aware of all age recommendations on the products you are using with your child. The author is not liable for any injury caused to your child while completing any of these activities.

Recommended scissors for this printable:
Safety Scissors from Fundanoodle
